

2017-18 Tuition Assistance

Immaculate Conception School offers several ways to help families save on the cost of tuition.

Volunteer Program – School volunteers can earn a \$100 credit toward the cost of tuition. The Volunteer Program Handbook will be available at the start of the school year.

EdChoice Expansion Scholarship - Families with students in 2017-18 entering kindergarten, first grade, second, third, or fourth grade may qualify for this income-based scholarship that pays the entire cost of tuition. For example, a family of four with an income of \$49,200 or less may qualify. Application forms will be available in February.

SCRIPS Buying Program – After paying a small registration fee, families can make on-line purchases for everyday products and services, earning tuition credits in the process. Information about how to sign up is available in the office and on our website, www.icsdennison.org.

Tuition Assistance - All applications for tuition assistance should be filed through the FACTS program. Families can apply by logging into your existing FACTS account or going to www.factstuitionaid.com (or use the link on the Immaculate Conception website at www.icsdennison.org.)
