

News from Immaculate Conception School

January 10, 2019

Dear God, thank you for the gift of the Holy Spirit who brings our faith to life. Send the spirit into my heart so that I may have the courage and desire to truly live my faith in my everyday world. Amen

Tomorrow, Friday, is the final day of the second grading period. We will publish Reprt Cards in SchoolSpeak the evening of Thursday, January 17. Report Cards and Life Skill Achievement Reports will be distributed to the students the following Friday.

Several revisions in our Parent/Student Handbook will take effect with the start of the second semester. Please review the handbook included in this week's envelope.

We are participating in the Math-A-Thon to benefit St. Jude's Hospital. Students will be seeking donations for completing math problems and we will have a dress down day on Friday, January 18.

Fifth grade students will go to the high school for Science Day on Tuesday, January 15.

There is no school Monday, January 21 and Tuesday, January 22. Monday the 21st is Martin Luther King Day and the teachers will attend an in-service program that Tuesday.

Please make plans now to join us for our annual Open House Celebration and Spaghetti Dinner on Sunday, January 27 from 11:00 am to 2:00 pm. That Sunday marks the start of Catholic Schools Week. All current families are invited to join us for the open house and dinner. This is a great time to invite a friend who might be interested in joining our Immaculate Conception family. The support and encouragement of our current families can have a great positive impact as we continue our efforts to welcome new families and build enrollment!

Registration for next school year will begin at the end of the month. We are working on plans to change to an on-line registration system. This should reduce the amount of paperwork involved in the past.

The deadline to place an order in the PTA Park Street Pizza sale is next week. This is a delicious way to support our PTA!

Immaculate Conception School

The mission of Immaculate Conception School is to continue the tradition of providing a challenging academic program integrated with Catholic teaching, empowering students to nurture their God-given abilities to follow Jesus' example of prayer, faith, service, and love.
